

Marie Ann Greenberg and Judge Papalia

U.S. BANKRUPTCY COURT
FILED

This letter is written on behalf of Celia M Zelinski at 50 Meriden rd. Rockaway NJ 07866.

The case number is 19-32727 VFP. I Walter J Zelinski the 3rd, client of Scura, Stevens, Heyer, Wigfield & Cammarota and part owner of the house. That pays and assists with the bills as per the adress listed above. Have conferenced

in with Jamal Romero about an objection to the letter regarding dismissal. The objection is understood and will be provided. The lawfirm will be involved with the objection. I have other council im in process of retaining that im in premediation regarding the matter also. The attorneys know I have the docs proving, I and we, are financially capable and can proceed with making payments. Those docs were left out and there were other docs on the way for further proof of being capable of making the payments. Due to the negligence and malpractice in the matter. They weren't provided. The attorneys know that there is malpractice, negligence, tortious Interference, 2c Harassment & clear cut perjury involved in our matter. Its on paper and attached to this in the next docs. The firm above is aware of the 2c harassment on paper in there posession with witness's on video stating they wont interfere with legal action taken and understand. The firm listed above, that I Walter j Zelinski the 3rd, retained and paid for. Knows im taking legal action regarding everything listed in this doc. We conferenced & mediated about this matter and it is very clear cut. "We" meaning the attorneys listed above. The phone calls are recored. The firm retained by me above understands, agree's, and will not tortiously interfere with my legal action taken. This will be provided in the objection and legal action will continue. This has been going on for several months and longer. Its proveable in court. I have probable cause with a papertrail with other council involved on paper in a contractual agreement as a witness. That witness knows I retained and paid for the attorney listed above, He signed off on it. There are other witness's that understand the malpractice matter above also. The attorney Steve Ravin ,that vetted me to the firm listed above is my private network I know on my own. Theres No tortious interference allowed in that and unfortunately thats part of the malpractice also as listed above.

The objection will be sent in shortly. Thanks for your time.

Best,

Walter Zelinski
